Matty's Downtown proudly carries these and other fine brands, ask your server  
for our complete draft selections and other specialty beers from the bar!

## a little bit of our history

Whether you are here on your first date or your 50th anniversary, grabbing lunch on the go or catching up with friends, in town for business or here with your family. We consider it a privilege to serve you here at Matty's Downtown! The vision for Matty's was conceived in 1995, born from a restaurant called Niffer's Place in Clemson, SC. While the location in Clemson no longer exists, good friends of Matty's still own and operate two Niffer's Place locations in Auburn, AL that are renowned for their legendary service and extraordinary burgers!

We strive to uphold the same standards and values that our sister restaurants practice and use them to this day as inspiration for what we do.

Matty's Downtown is committed to offering you great food, exceptional service and value in a fun atmosphere. We also strive to be a good neighbor and share with the community in which we live. We are blessed and privileged to be a part of the recent reborn and renewed spirit of downtown Anderson. We like to profess that at Matty's, LOVE is ALWAYS on the menu!

## matty gives back 10%

At Matty's Downtown we embrace the opportunity to give back to the community that supports us. We strive to establish ties with our neighbors who give their time and resources freely to ensure that we all have a great place to work and call home. So on designated Mondays, Matty's gives back 10% of proceeds to different locally funded and driven non-profit organizations. It's a way to say "thank you" to those who make our town livable and a great way to help take care of those in need. Ask how you can be involved!
